Policy for Online Voting

At their discretion, the Chair and Vice-Chair may decide to conduct an endorsement vote online. Members will receive electronic notice of the vote and have 2 weeks to respond. One of the voting options will include a request to bring the item to a future meeting for further discussion.

A quorum is considered to be one more than half of the number of voting members. ITPB currently has 22 voting members, so 12 online votes are needed for a quorum to be reached.

If a quorum is reached, then the result of the vote will be announced at the next meeting. If a quorum is not reached, the matter will be brought up at the beginning of the very next meeting for an expeditious vote.
